Gary,

I will be returning from New Mexico that day. I plan to come into the office when I land, ETA 11:35am. If the meeting is after 1pm, I should have no problems.

Kevin

Subject: San Jacinto and Gulfco Site Briefings for Sam and Pam

---

Can we do another update for Sam and Pan on the status of activities for these sites on Thursday, 2/17/2011. These are hot sites and a lot of activities have taken place since the last briefing. Also for Gulfco, we have a planned Construction Completion for this FY. Please check with your Teams ASAP so that we can put it on Sam's calendar.  
Thanks CAS
